RE: Request for Intermunicipal Transfer of Liquor License  
KTM II Supermarkets, LLC  
Proposed Location: 170 Forty Foot Road, Hatfield, PA 19440

Dear Honorable Members of the Board of Commissioners:

Please consider this correspondence as my client's request for an intermunicipal transfer of liquor license into Hatfield Township (the "Township") at the above Proposed Location, pursuant to 47 P.S. § 4-461(b.3). Under this statute, please note that a public hearing must be held by the municipal governing body for the purpose of receiving comments and recommendations of interested individuals residing within the municipality relative to my client's application. Pursuant to the Liquor Code, notice of the hearing must be published once each week for two successive weeks in a newspaper of general circulation in the municipality. Further, such notices must state the time and place of the hearing and the matter to be considered at the hearing. The first publication shall not be more than thirty (30) days before the date of the hearing and the second publication shall not be less than seven (7) days before the date of the hearing.

In addition, the Board must render a decision within 45 days of the request. In my experience, the hearings have been conducted at a legislative forum to ascertain whether moving the license into the Township at a particular location would adversely affect the welfare, health, peace and morals of the Township. Typically, the hearings have not been specially listed at their own times but have been specially listed agenda items during meetings of regular Township business. Further, the hearings have been conducted as the first order of business. It would be greatly appreciated if this matter could be added to the Township Board of Commissioner's September 9, 2020 agenda in order for our client and the Township to meet its legal requirements.

Hatfield Township Board of Commissioners  
ATTENTION: Ken Amey, Zoning Officer

Additionally, I welcome Township Commissioners to review zoning records in this regard. My client does not intend to materially alter its business and is simply adding the additional convenience of beer and, potentially, wine sales. Should you have any questions, concerns, or would like a summary of my client's proposal (which we intend to present at the hearing with plans), please do not hesitate to contact me. Lastly, attached is a copy of the proposed Resolution approving the transfer.

Please advise on the costs of the application at your earliest convenience and we will promptly attend to payment of the same.

By copy of this correspondence, we are providing notice of our proposed intermunicipal transfer of liquor license to Christen Pionzio, Esquire, the Township's Solicitor.

Thank you for your time and consideration.

Respectfully,

DAVID C. BERGER
